TITLE VI & NONDISCRIMINATION POLICY STATEMENT

Title VI of the Civil Rights Act of 1964 protects individuals, groups and organizations from discrimination on the basis of race, color or national origin in all programs and activities. In addition, laws prohibit discrimination on other grounds, such as religion, sex, age, and disability. Based on the above criteria, the Sioux Falls Metropolitan Planning Organization (MPO), program is referred to as the Title VI and Nondiscrimination Program.

The policy of the MPO is to ensure that no person or group of persons shall, on the grounds of race, color, national origin, religion, sex, age, disability or other statutorily prescribed basis, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity administered by the MPO.

As Executive Director, I delegate the responsibility to assure the implementation of the Title VI and Nondiscrimination Program to the Title VI Coordinator and to all other personnel involved with activities impacted by Title VI and related statutes and regulations.
