The Citizens Advisory Committee (CAC) is an important component of transportation planning for the Sioux Falls Metropolitan Planning Organization (MPO). Working with the Technical Advisory Committee and the Urbanized Development Commission (governing body for the MPO), members of the CAC serve as a liaison between the general public and the formal transportation planning process. In addition, CAC members offer advice, comments and recommendations for projects that require review by the MPO planning process. The CAC meets seven times a year (every other month beginning in January) with an additional meeting held in August. Meetings are held at the SECOG Center in Sioux Falls on Wednesday afternoons and begin at 3:00 p.m.
